

Louise Weider: Mother of one former Atlanta Boomer & One current (Lindsey-/Augusta State & Courtney/Dacula High)

Home: DACULA, GA

How many miles from your home did you travel?

- 56 miles

How long did it take you to get to practice?

- An 1 hour-plus with light traffic about 1:40 min with rush hour traffic

What attracted you to Boom?

- My Daughter Lindsey wanted to play for **Del** She had heard so much about him. It was her senior year and she wanted to learn more

What made you stay/ Did you get what you expected?

- How much fun WE had. I don't mean my daughter. I mean US (my husband & I). We sang, we danced we laughed. More than we had ever before. This was different and we could feel it. We have played in Texas and had played for other clubs. This was just different. We had a 3 ½ hour team party that lasted for 9 hours Everyone left around 11:30 at my house that was supposed to end in
- This was not what we expected, because we knew what to expect. This was just fun
- The whole family attitude thing. Everyone was always willing to help out. If someone needed something it was just done. Somebody just stepped in picked up the ball and ran with it. I've never seen any club do the things you guys do for the kids. They don't even have to be on your team

Would you recommend us to a friend?

- It's ALL we recommend

Was it worth it?

- Linds is in college having a ball. We are back with Courtney and last year may have been more fun than the first. No drama. No in-team fighting. We love it
