

Gwendolyn Rouse: Mother of one Atlanta Boomer
(Bianca, WJ Keenan High)

Home: COLUMBIA, SC

How many miles from your home did you travel?

- 221 miles

How long did it take you to get to practice?

- 3 ½ Hours

What attracted you to Boom?

- The organization of the program, honestly. We also admired the diversity of the program.

What made you stay/ Did you get what you expected?

- We are coming back because my daughter was the young player where she was, but she knew what she wanted, and at boom the players were more dedicated and once we got there, they enhanced her play. You should see her now.

Would you recommend us to a friend?

- Yes. We are always looking for someone to tell

Was it worth it?

- Yes! Every dime of it. Even though it's not really about the money. My daughter likes it and feels better about herself and even though it's a burden sometimes you do what you can to make your children happy and I don't mind sacrificing to see her smile so much
